March 12, 2015

CAPTAINS - Just a few reminders:

- 1) **To qualify for tournament play your players must have at least 25 games played before tournament play begins. Please review rule 29 on page 15 for complete details.**
- 2) **To qualify for MVP honors they must have at least 40 games played. Please review rule 29 on page 15 for complete details.**
- 3) The \$10.00 membership fees for the 2014/2015 season are due for all players on your roster who did not play the Summer or Fall session. If they played even one game Membership fees must be paid. Or the games will be converted to forfeits. This could drastically affect all team standings.
- 4) **The Annual Tournament schedule will be, round one April 23rd, round two April 30th, round three May 7th, round four May 8th, all remaining games will be played May 9th. Rounds one and two will be hosted by the team with the better point total. In the event of a tie breaker rules will apply, see rule 64 on page 24 for details.** Captains please inform your players and prepare them for the tournament schedule.
- 5) **The players that are on the “thru week 11” rosters, will be your tournament roster.**

Captains - remember it is your responsibility to make sure your players have played the required number of games needed to qualify for tournament play and for MVP awards. Please do not wait until the final week to reach this number. Forfeits are not counted as games played.

There will be a captains meeting March 29th 2 pm in the Brunswick Library in the Sycamore Room located at 3649 Center Rd in Brunswick. An agenda will be provided in the March 19th envelope. Please list any topics you would like discussed in the notes section on page two of the score sheet. All OPPA members are welcome to attend.
